## Club Room Events

Thank you for considering Schlafly Tap Room for your event!

The following pages will tell you everything you need to know about having an event in the **Club Room** at the **Schlafly Tap Room**. If you have never seen the space before, you may set up a viewing with our private event space coordinator to come check it out. To schedule a viewing of the Club Room with our event space coordinator contact [TapRoomParties@schlafly.com](mailto:TapRoomParties@schlafly.com) or 314.241.2337 x 1.

If you are familiar with the room from attending our beer festivals and/or other events, and have found the answers to all your current questions in the following pages, contact our private event space coordinator to check room availability. Direct all questions to [TapRoomParties@schlafly.com](mailto:TapRoomParties@schlafly.com) or 314.241.2337 x 1.

Once you've talked to our event coordinator and your date has been approved there are 3 easy ways to submit your contract (found at the end of this packet) and Room Charge.

- Scan and email the contract to [TapRoomParties@schlafly.com](mailto:TapRoomParties@schlafly.com) with a credit card number listed for payment of your room charge.
- Mail your contract with your room charge. The room charge can be paid by check or credit card. If you are paying by check please make it out to "Schlafly". Our mailing address is:

The Saint Louis Brewery  
Attn: Private Events  
2100 Locust St  
Saint Louis, MO 63103

- Or Drop off Monday through Friday between 9am-5pm.

Please note:

-Your room charge and contract must be submitted together. No room will be held until both these items have been received together.

-The contact info on your contract must be the main contact for planning the event, not the person paying.

- The Room Charge is not a deposit and is not subject to refund in the event of a cancellation.

As you begin to make decisions, our Event Space Coordinator is available for any and all questions and will record the evolution of your event on your BEO. Email correspondence is the easiest form of communication, as we can track our dialogue on updated BEOs, floor plans, invoices, etc., as things evolve. A final meeting can be scheduled for 15 to 30 days prior to your BEO Deadline, which is two weeks prior to your event, in order to solidify all your details. You will need to reach out to the event Coordinator to arrange this should you desire. Everything is final by your BEO Deadline. Nothing can be changed after this date.

Our Event Space Coordinator is here to help in any way possible but is not an *Event Coordinator*. Our main concern is your food and drink and making sure you have all the necessary items to enjoy both. We can provide some services, along with recommending outside vendors, to help make your event a success but it is your responsibility to organize all the details of your occasion.

## Room & Rental Set Up

The Club Room can handle up **156 guests for a buffet dinner or up to 250 guests for a cocktail event.**

Floor plans for each of these styles can be found in this packet. Due to the nature of the Club Room, which is old and quirky, these floor plans are minimally adjustable. They have been tried and tested and have proven themselves to be the most successful.

\*A note about cocktail events...When having a cocktail reception we do not provide seating for all guests. Your room set up will allow for seating for 120 people without live music, and 96 people with live music. The idea is that guests will eat, drink and mingle in no specific order. It is important when having a cocktail reception that all details support this theme. Timings, room set up, food set up must all support the idea that your event is not a formal dinner, but rather a cocktail event.

Included in your rental are the following:

- Tables, chairs and white linens on all tables in either your dinner set up or cocktail set up. Dining tables are 72 inch rounds, cocktail tables are 36 inch rounds, cake table is 60 inch round, gift table and sign in table are 24 by 96 inches and the buffet table is 36 by 288 inches
- All necessary flatware and stoneware for appetizers, dinner and dessert.
- Real dinner napkins in Schlafly Green (hunter) for dinner events or white disposable cocktail napkins for cocktail events.
- Access to the event space one hour prior to your event to decorate
- 4 hours of event time ending no later than 12 midnight and starting no earlier than 4pm.
- A wireless microphone (for toasts or announcements) and an I-pod hook up if you choose to use a personal playlist as the soundtrack for your evening. DJ's and Bands are also welcome but would need to provide their own sound. Unlimited email correspondence with the room coordinator and 1 finalization meeting scheduled for 15 to 30 days prior to your event should it be needed. You will be responsible for reaching out to schedule a finalization meeting.

The following add-ons are available to you:

- \$25 dessert fee should you decide to bring in an outside dessert. We will cut and plate it for you.
- \$300 early set up fee should you need more than the hour before your event to decorate. This will gain you access to the room, already set with tables, chairs, and linens at 1pm the day of. (1pm is the earliest the Club Room can be available as there are several things that must happen between the previous night's events and your event. Should you choose to have an early evening event, you may have less time for set up.)

\*Because we are not a full time banquet facility **we do not offer tastings.** The Catering menu however is designed and managed by the same executive chef that manages the restaurant menu. A meal in the dining room will give you a great feel for the style and quality of food we provide. Come on down, and have a beer while you are here!

## Bar Packages

When deciding the bar package for your event you must first consider if you want a **cash bar** or a **host bar**. We do not offer a “running tab” option.

## **Banquet Event Order (BEO)**

Your Banquet Event Order (BEO) is the single most important document surrounding your event. You will get a copy at the time you get your rental confirmation and we will begin to record your menu, bar, event timings, set up details, music details, EVERYTHING, on your BEO. We will reference this document for every detail of your event so if you want something to happen that night, it MUST be on your BEO. It is also what our chef and event staff will work from the night of your event. This document is the manifestation of all our planning.

When we finalize your BEO at your deadline (2 weeks before your event), and it is by you, it will become our contract for the evening. Everyone involved in orchestrating your event should be familiar with your BEO.

**ALL BEO DETAILS ARE FINAL 2 WEEKS PRIOR TO YOUR EVENT.**

**NO CHANGES CAN BE MADE AFTER THIS DEADLINE.**

Attached are sample BEOs.
