

Schlafly Bottleworks Crown Room Events

Thank you for considering Schlafly Bottleworks for your event!

- The following pages will tell you everything you need to know about having an event in the Crown Room at Schlafly Bottleworks. If you have never seen the space before, come on down and check it out. You're welcome to stop by during regular restaurant business hours to view the space on your own or email parties@schlafly.com to set up an appointment or inquire about availability.

To check room availability first, please email Parties@schlafly.com.

Once availability is confirmed with the Private Party Manager, there are a couple of easy ways to submit your contract (found at the end of the packet)

- Scan/email the contract to parties@schlafly.com with credit card info for your roomcharge.
- Drop it off at the Schlafly Bottleworks in Maplewood at **7260 Southwest Ave, St. Louis, MO 63143**

Please note:

- Your room charge and contract must be submitted together. No room will be held until both these items have been received together.
- The contact information on the contract must be the main point of contact for the event.
- The Room Charge is not a deposit and is not subject to refund in the event of a cancellation.
- Within 72 hours of submitting your contract and room charge you will receive an email (at the email address listed on your contract) with receipt for your room charge.

As you begin to make decisions, our Event Space Coordinator is available for any and all questions and will record the evolution of your event on your BEO. Email correspondence is the easiest form of communication, as we can track our dialogue on updated BEOs, floor plans, invoices, etc., as things evolve. A final meeting can be scheduled for 15 to 30 days prior to your BEO deadline, which is two weeks prior to your event, in order to solidify all your details. You will need to request this through the Event Space Coordinator. Everything is final by your BEO deadline. Nothing can be changed after this date.

Our Event Space Coordinator is here to help in any way possible but is not an Event Coordinator. Our main concern is your food and drink and making sure you have all the necessary items to enjoy both. We can provide some services, along with recommending outside vendors, to help make your event a success but it is your responsibility to organize all the details of your occasion.

Banquet Event Order (BEO)

Your Banquet Event Order (BEO) is the single most important document surrounding your event. You will get a copy at the time you get your rental confirmation, which will only include your rental payment and event details such as head count and time/date. We will begin to record your menu, bar, event timings, set up details, music details, EVERYTHING, on your BEO. We will reference this document for every detail of your event so if you want something to happen that night, it **MUST** be on your BEO. It is also what our chef and event staff will work from the night of your event. This document is the manifestation of all our planning. Food order must be placed 2 weeks prior to your event.

When we finalize your BEO at your deadline (2 weeks before your event), and it is approved by you, it will become our contract for the evening. Everyone involved in orchestrating your event should be familiar with your BEO.

ALL BEO DETAILS ARE FINAL 2 WEEKS PRIOR TO YOUR EVENT.

NO CHANGES CAN BE MADE AFTER THIS DEADLINE.

The following are samples of BEOs.
